ABOUT

LIVICTON GROUP

Welcome to Livicton Group, your trusted partner for comprehensive cleaning, hygiene, waste management, pest control, security, Building and Civil Engineering Construction services. We are committed to creating a clean and safe sustainable environment for businesses and communities across the globe. With a focus on excellence and innovation, we have become a leading force in the industry, dedicated to delivering customized solutions tailored to your specific needs.

Established in South Africa, Livicton is a 100% black owned company. Our vision is to be the leading services and solutions provider for our clients, operating as a partnership of equals: as high-quality professionals working with high quality professionals. Our service helps our clients get the most from their business.

LIVICTON GROUP VISION

- To establish ourselves as one of the most innovative and reliable cleaning, hygiene, waste management, pest control, security, building & civil engineering construction.
- To provide quality services that exceeds the expectations of our esteemed clients

LIVICTON GROUP MISSION

With a dedicated team, Livicton strives to offer investors best value for their money, by ensuring 100% effort goes towards our reliable services.

CORE VALUES

- Trust
- Unity
- Assurance
- Integrity

COMPETITIVE ADVANTAGE

We strive to make our clients feel special and well looked after.

SERVICES PLEDGE

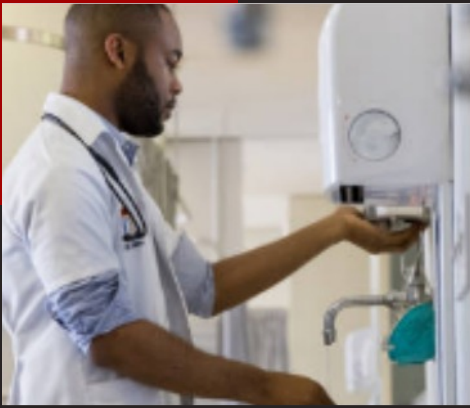

We have a dedicated friendly team to deliver the best enhanced

LIVICTON GROUP SERVICES

1. CLEANING

Our cleaning services are delivered by professional and supervised staff, using world-class cleaning equipment and successful sanitation chemicals.

2. HYGIENE

Whether you run a commercial establishment, like a restaurant or guest house, an industrial factory park or an office block, maintaining optimum levels of hygiene is crucial.

3. WASTE MANAGEMENT

We're committed to making the world a cleaner, safer place – 24 hours a day, seven days a week, 365 days a year. We focus on collecting and treating the waste made today and protecting the environment for a better tomorrow.

4. PEST CONTROL

We treat the cause of your pest problem with our innovative products and integrated pest management techniques - tailored to your specific requirements - thus keeping both your home and workplace pest-free.

5. SECURITY

Through our services – ranging from banking security, mining security, commercial and home security – we do everything in our power to go the extra mile to ensure your peace of mind.

6. BUILDING AND CIVIL CONSTRUCTION

We specialize in all kinds of construction works. Township infrastructure, Bulk earthworks, Major pipelines, Storm water infrastructure, Sewerage works and more.
